## ABOUT MIKEY GARCIA

Even though Mikey Garcia is currently the World Boxing Council Lightweight Champion, he continues to remember his roots. Raised in the most humble of circumstances, Mikey Garcia has demonstrated throughout his whole career the astonishing achievements one can achieve with dedication, discipline, and hard work. Mikey first started boxing in his early teenage years, relentlessly fighting his way to become the undefeated world champion. He continues to be undefeated (36-0, 30 KOs). In addition to Mikey's current title, he has held many other world titles, including WBO, Ring featherweight champion, and WBO junior lightweight champion. When he isn't boxing, Mikey Garcia actively spends his time with many youth development programs in order to inspire the next generation to chase their dreams - just as he did.
